*November 2017*

## *Cedar Mountain*

### Hard Work and Holidays

This month, the women of Cedar Mountain celebrated another of the residents getting a job (which means that both senior residents are employed) and one of the ladies received her GED! We are so proud of the hard work and dedication all of the women have shown, each accomplishment is an important piece of their journey to recovery!

The ladies also enjoyed a wonderful Thanksgiving together this month. Cross Point Church generously donated a delicious Thanksgiving spread that the women were able to enjoy together.

The holidays are a very difficult time for the women, but each year that we have been open, our amazing supporters rally around to show each woman how loved and cherished they are. A time that often brings pain and loneliness for them is transformed to days of blessings and happiness as God wraps his loving arms around them through all of you! Thank you from the bottom of our hearts for making not only the holidays, but the ladies' entire time at Cedar Mountain filled with loving support!

## *The Julia Kay Project*

...

Steve, our outreach Team Leader, participated in some intense volunteer training during the month of November. He spent a grueling two weeks in Southeast Asia with an organization called Exodus Road.

After many long, late nights and several moves to reach out in different areas, Steve was exposed to many great models of teamwork and effective outreach practices. We are excited to put them in place as we work with our JKP Team!

## Cornerstone

### Searching for House Mother

The beautiful home at Cornerstone still has empty bedrooms that are waiting to be filled, unfortunately we are unable to welcome more women in until we find a full time house mother. This position would include 5 days and 4 nights at the home each week. We are also looking for a part time house mother to fill in on the days that the full time house mother is on break. If you would like to learn more about the positions, or would be interested in volunteering, please send an email to our new email address at

Last month, we mentioned that our current resident, V, was planning on going on a mission trip out of country. She had a very safe and blessed trip! Her time was spent at an orphanage and volunteering in some of the nearby, poverty stricken communities. The trip touched her heart and she left tired but incredibly blessed! Thank you again to the supporters that helped make the trip possible for her, it is an experience she will never forget!

## Hogar de Gracia

### College and a Car

The girls of Hogar de Gracia had a lot to celebrate in the month of November!

After struggling with a broken down vehicle for quite a while, the home was blessed with a new van! Some loyal supporters of OTM in Kansas delivered the vehicle in the middle of the month during their visit, much to the excitement of ALL of On Time Ministry! Thank you to everyone who worked hard to make this happen for the girls!

There was even more excitement when we received the news that one of the girls passed her entrance exams and was accepted into college! Her dream is to become a veterinarian! It is such a blessing to be able to watch the girls grow and become successful. We know she will do great!
