

On Time Ministry

March 2017

Cedar Mountain

In early March, Cedar Mountain welcomed a fifth resident! We ask for continued prayers as we walk through the difficult journey of the first few weeks with us, that she will stand strong and continue to rebuild her life!

Our newest addition to the home is our fish tank! The ladies have had so much fun

picking out fish and watching them swim, one fish is even pregnant! Simple joys, like those found in enjoying a fish tank, are so important for the ladies to experience!

Over the past couple of months we have been so blessed to attend some amazing church services, and make wonderful, supportive contacts that reach from local individuals all the way to agents in the FBI and Homeland Security!

Cornerstone Opening Next Month!

We can't believe that our opening day is just a couple weeks away! There has been such amazing progress made thanks to the hard work of all of the dedicated volunteers that have spent their time, and the generous donors who have made

it possible to purchase the supplies and fixtures, to make this building into a beautiful home! We are almost done with the bulk of construction, and will be moving on to decorating soon!

The Julia Kay Project

• • •

This last month has been busy! We received multiple calls regarding women in need of help and responded to all of them. We did our best to investigate each call, contact law enforcement, and remove the ladies from the toxic situations that they were in. Not all accepted our help, and some of those who did chose to return to their old situations. Those cases are always hard for us to witness, but we continue to pray and maintain contact with them as much as possible to ensure that when they are ready to accept our help, we will be there!

Even if it takes years...

In 2012, we met a young girl who had been trafficked. She was in a safe house. We stayed in contact with her for over two years. She aged out of the program for minor victims. She left and immediately entered into a bad relationship. We lost contact with her for over two years until a couple of months ago. We were able to reconnect with her and later she called a team member and now she is in a safe place again. We all got to give her a big hug the other day. Wow, makes the effort worth it!

Hogar de Gracia

The ladies of Hogar de Gracia are happily settling in to their new home and doing well. We included pictures of the exterior of our new home as well as our cozy new living room, we love this house and we are so grateful to everyone who helped make this move possible! We recently welcomed our first new resident at the new house, she's only 14 and we are so happy that she's making a home with us! Please join us in prayer for her!

A Look Behind the Scenes...

We would like to take a moment to update our supporters on everything that is going on "behind the scenes" of On Time Ministry and introduce our Board of Directors. Steve Dunlap is President of the Board, and members include Tressa Dunlap, Amy Woodley, and Krista Dahl. Last month, we welcomed new members Dean Barton, Justin Ryan, and Lynette Collins. We also wanted to extend a big thank you to former board member Vic Porter. He was with us at the very beginning, but due to his many other obligations he chose to resign his board member position, but is staying on as an advisor to OTM. Each of these individuals have such a passion for the ministry and a love for the women we help!

House Mother Search

...

As the opening of Cornerstone draws closer, we are intensifying our search for a House Mother! Our current vision for Cornerstone is for it to be a "first stop" for the ladies, as it is hard to have women in all stages of recovery living together. We have been reaching out and making contact with possible candidates, but we are still looking! If you or someone you know has a passion for this ministry and would like information on becoming a House Mother or would simply like to volunteer for a few days a month, please contact us at ontimeministry@yahoo.com or call us at 719-664-6018.

OTM 5K Fun Run June 24th!

Willow Springs, MO \$25 entry fee – all ages and abilities welcome!
